Present: Bibi Kauroo (Reception Manager), Cristian Pico (Administration Lead) and Lurana Goldring (PPG Lead) 8PPG members

1) Introductions/ Welcome

All members introduced themselves

2) Apologies for absence:

Helen Lees (Archbishop Gardening Centre)

3) Jay introduce herself to the group by explaining her role:

NIHR is a Clinical Research Group that cover on one of the 15 South London Borough.

- (1) Support Practices/ Deploy the covid-19 vaccine to organisations
- (2) Searches run by the Practice i.e. Diabetes, Asthma, PSA and new medications
- (3) Patients studies which are send back to the Practice
- (4) The reason for the these searches is to promote patients care
- (5) Jay mention an example, of a recent studies that was carried out, Covid -19 vaccine trials and the myths busting that follows, and it's not every believe that it is for the better good of the health of mankind.
- (6) The researchers are not only for those with illnesses
- (7) Question were ask by the PPG how can they get involved, can be through PPG, become a research champion for the NIHR workshop are held
